**Empowering Parents with BET Mobile App**

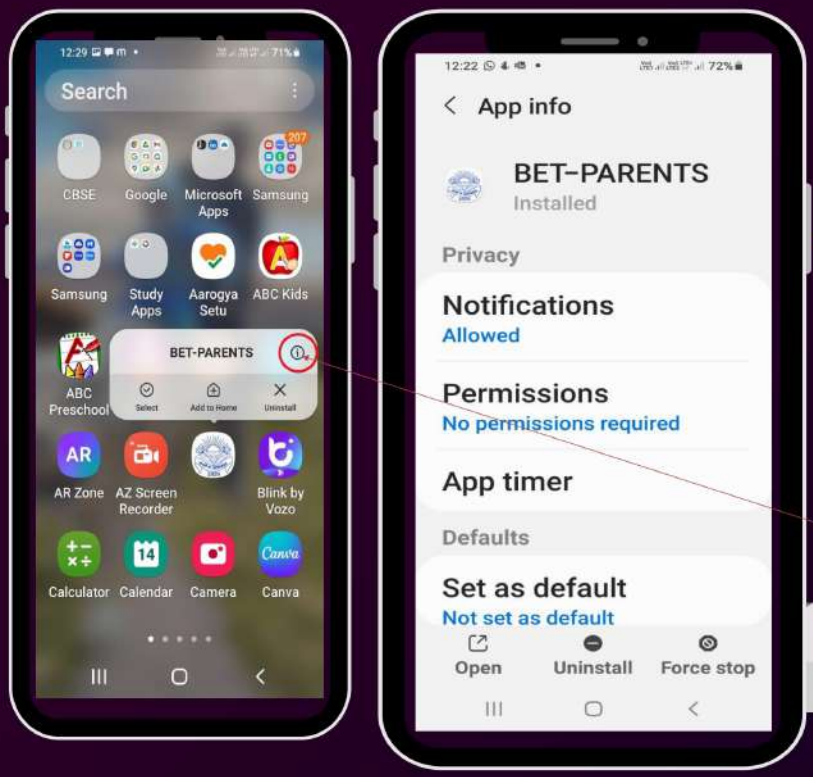
USER MANUAL

## Welcome To BET Mobile App

The BET Parents' Mobile App is made for parents of students in Birla Education Trust schools. It helps parents and the school stay connected and gives all the important information about their child and the school in one place.

**The App is available in Google Play Store with the name 'Birla Education Trust Pilani' developed by Birla Education Trust.**

**Supports Android 9 and above to ensure the best performance.**



# Allow Notifications

Before Logging into the App, please allow Notifications to the App in 'App info'. To access 'App info' long press the App icon and click 'i' on the right top.

USER MANUAL

# Login Page

The first page of the app is designed for users to select their category—either 'Parent' or 'Student'.

USER MANUAL

# Parent ID and Student ID Pattern

| PARENT ID | STUDENT ID |
| --- | --- |
| BPSPT50XXXXX | BPSST50XXXXX |

USER MANUAL

# Login to the App

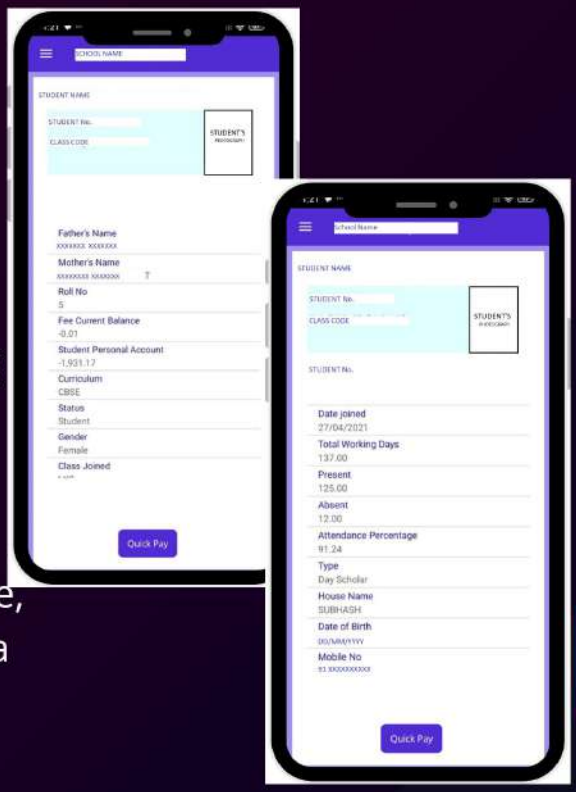
The app uses OTP-based login for security. The OTP is sent to the registered mobile number and verified against the Parent ID/Student ID and mobile number in the school's records, ensuring secure and trusted access.

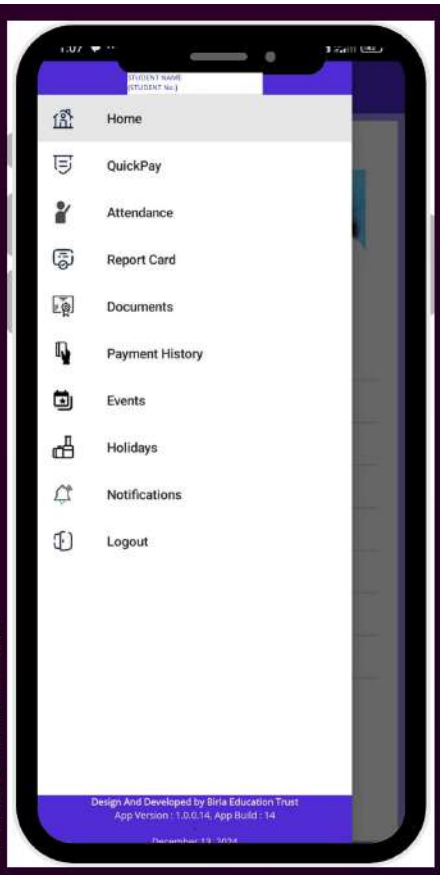
USER MANUAL

# HOME SCREEN

01 **Home Screen:** The home screen displays all essential information about the child, including Fee / Personal account balance information.

02 The home screen includes a "Quick Pay" feature, making it easy to complete payments through a fast and secure payment gateway.





USER MANUAL

# Menu Display

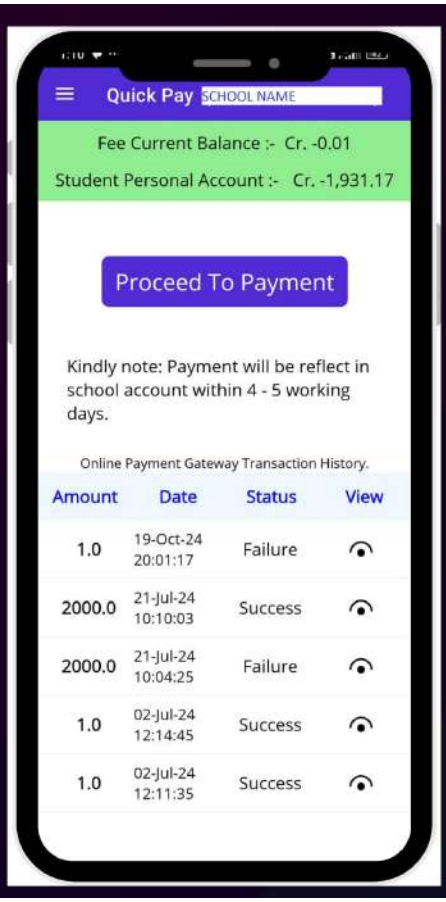
The app's menu is designed for easy navigation, giving parents quick access to sections like Home, QuickPay, Attendance, Report Card, Documents, Payment History, Events, Holidays, Notifications, and Logout. Each option is clearly labeled for a user-friendly experience, making it simple to find important information and updates.

# Application Key Features

## Quick Pay payment option:

A one-click payment option, where all necessary information is pre-filled, providing users with a quicker and smoother payment experience.

It also includes access to the complete history of previous online payments.



USER MANUAL
